**This form is for information purposes only.**

Potential clients are requested to review this document in detail before contacting our office.

The Virtue Medicine policy is to provide an Independent Medical Evaluation on all newly referred worker's compensation patients. **An agreement by Virtue Medicine P.C. to perform an IME is not a guarantee that the patient will be accepted for ongoing clinic treatment in our specialty clinic. This decision is at the discretion of the provider based upon the suitability of the patient for the specialty care that is offered at our practice.**

**How to Proceed:** To enter into an agreement for provision of services, Virtue Medicine requires:

- Full base rate payment \$4500 is required prior to scheduling
- A letter, i.e., a service agreement, accepting the fee schedule, and identifying the service(s) requested

Service agreement letter must identify:

1. The case number/examinee name
2. Primary contact person within the referring entity and contact information. Virtue Medicine will direct all correspondence regarding the patient's care to this primary contact person; *it will be the referring entity's responsibility to handle these documents in compliance with professional and health care standards*
3. All appropriate release of confidential information forms should be attached

**Please see following pages for service details**

**Independent Medical Evaluations** (required for all Worker's Compensation referrals):

Medical chart review, patient examination, and written summary of findings provided to the referring entity within requested time frame (usually less than 10 days):
